IN RE:  LTDS CORPORATION	DOCKET NO. TCU-01-13 (FCU-00-4)
--------------------------------	------------------------------------

**ORDER EXTENDING PROCEDURAL SCHEDULE**

(Issued July 5, 2001)

On June 5, 2001, the Utilities Board (Board) issued an order directing LTDS Corporation (LTDS) to show cause why its certificate of public convenience and necessity as a competitive local exchange carrier (CLEC) should not be revoked.

On June 6, 2001, LTDS filed a motion requesting additional time to respond. Additionally, LTDS requested copies of public records, disclosure of certain information, and identification of those staff members involved in the informal investigation referred to in the June 5, 2001, order. The Board extended the procedural schedule by order issued June 19, 2001. The information requested by LTDS was provided under a separate cover letter from the Acting Executive Secretary on June 28, 2001.

On June 29, 2001, LTDS filed another motion requesting additional time to file materials so that it could have adequate time to consider the information provided to it in the June 28, 2001, letter.

The Board finds it reasonable to grant the request for additional time to respond to the concerns raised in its June 5, 2001, order and will extend the deadlines for filings as indicated in the ordered section of this order without changing the dates for evidentiary hearings or briefs.

**IT IS THEREFORE ORDERED:**

1. Ordering paragraph of the Board's June 19, 2001, order, is amended as follows:

a. LTDS Corporation is ordered to file prepared direct testimony with supporting exhibits and work papers responding to the preliminary concerns raised in this order, as well as any evidence showing LTDS operates as a bona fide CLEC, on or before July 13, 2001.

b. Any person desiring to intervene in this docket shall file a petition to intervene on or before July 23, 2001.

c. Consumer Advocate and any intervenors shall file statements of any additional concerns that they intend to bring to the Board's attention concerning the appropriateness of permitting LTDS Corporation to retain its current certificate of public convenience and necessity, along with prepared direct and responsive testimony, with supporting exhibits and work papers, on or before August 7, 2001.

d. LTDS shall file any prepared rebuttal testimony, with supporting exhibits and work papers, on or before August 21, 2001.

2. The dates for the evidentiary hearing, initial, and reply briefs remain unchanged from the schedule set forth in the Board's June 19, 2001, order.
